

Admin Award Description

The administrative event's competition is designed to promote and encourage a high level of inter lodge communication. Every year at Conclave, a committee comprised of the section officers and advisers will assess each lodge on how well they present and keep up their website, lodge newsletter, and social media presence. The criteria on how each will be judged are outlined below. Please share your website, newsletter, and social media links with the section by emailing Section Adviser Brian Seeton (bseeton@gmail.com) before May 15th.
